LOCAL NEWS NOTES

Easter services were held in all the churches with good attendance.

Monroe Frazier, after a few weeks stay in Florida, returned home.

Rev. Hiram Fields, of McRoberts, held services at Cowan Baptist Church Sunday.

Easter was a beautiful day, plenty of sunshine, but a lot of cool crisp air.

Willie Blair, of Colly, enlisted with the Eagle and also sends it to his father, J. Partick Blair, of Hall, Knott county.

Mrs. Tom Johnson, is seriously ill at her home on Little Cowan. She is the mother of Parnell Johnson of the Eagle.

George Sigrist, well known citizen of our city and son-in-law of J. H. Gibson, is reported dangerously ill at his old home in Mississippi, where he is visiting.

John A. Webb, Emery L. Frazier, Astor Hogg, Henry Pfening and a number of others attended the Appalachian Way Convention at Lexington.

John D. Dixon's family at Jeremiah are nearly all sick. Mr. Dixon has a young daughter who has been quite ill for months.

Dr. Preston E. Sloan is in Louisville attending the State Dental Association meeting. He will give a clinic on Carmichael Crowns and Bridges while at the meeting.

The Regular Baptist services, conducted by Elds. Bennett and Joda Adams at the Presbyterian Church Saturday and Sunday were well attended and all were well pleased with the services.

Hester Chapter O. E. S. gave an April Fool Party with about seventy invited guests. A grand program was given and the committee kept everybody in a state of merriment from beginning to end. It was one of the best ever given by the Chapter.

Much enthusiasm is dominant here on account of the great Appalachian Military Post way being routed thru our county. In the years to come this highway will be worth many millions to the people of Eastern Kentucky and Southwest Virginia.

Winston Morgan, a young man of Colly, charged with being drunk and running from officers along Railroad street in the city late Monday night, was shot in the foot by officers and brought to jail Tuesday for treatment. He is not thought to be seriously hurt.

Who wants to know? Ask anybody and he will tell you it was Fess. We mean the Easter

cleaning and washing given to Whitesburg on last Saturday. Of course the town joined in somewhat with their little contributions and help, but the jailer was the dominating spirit. We'll venture that Whitesburg and its streets is the cleanest town in the mountains.

Mrs. J. W. Jones and Miss Emma Johnson, of Neon, were here Tuesday shopping.

Elbert Ward, one of the leading Neon merchants, was here. A little cool snap is hovering over the country.

Andrew Holcomb, Kona, and Jesse Holbrook, Millstone, good business men, were Eagle callers.

After having been seriously ill at her home in Williamsburg for some months, our city welcomes Mrs. Irvine Russell to her home here. She is looking quite well.

If Whitesburg doesn't get just what it wants, it doesn't mulk. It stands up and goes after something else.

Jason Holbrook was down from Colly and tells us he has already planted 28 bushels of Irish potatoes. His potato crop last year netted him a nice sum.

Dr. Ben Wright and Sanders Collins, of Seco, were business visitors here.

Monday evening March 29th, Mrs. J. W. Jones entertained the young people of Neon and Fleming at her home in Neon with a birthday party for Miss Emma Johnson. About fifty guests were present and all were pleasantly entertained. Among the out of town guests were H. E. Wilson of Elsieco, Mr. and Mrs. Mike Elliott, of Jackson, Donovan McClanay, Hazard, Prof. Beryl Boggs, Kona, and Prof. Leonard Boggs, Cronoma.

County Court Monday brought a good crowd of country citizens to town. Among them J. J. Lewis, W. M. Burk, B. F. Alams, Thos. P. Mullins, Eld. Robt. W. Mullins, of Beehive, Anse Ingram, of Linfork, A. L. Caudill, of Uz, and Wm. J. Tyre, of Crown, Big Jim Collins, of Colson, Merchant John Wright, of Seco, H. N. Kincaid, of Mayking, Elihanon Day of Dongola, W. B. Collier, Neon, and J. C. Richardson, Pinetop.

We have received a very interesting article from our good friend, J. B. Hoge, of Hazard, in reference to the proposed L. & N. connection with the C. C. & O. up the Kentucky river valley. Since the ideas held forth in the article conflict with the opinions as have been constantly urged by our citizens and the Business Men's Club, for the present we do not publish it. The proposition as set forth by our friend will probably be discussed later, after which we may publish the article.

HEAR APPALACHIAN WAY EXPLAINED

On Monday, April 12, at 7 p. m. Hon. Emery L. Frazier, of our city, will speak, fully explaining the meaning, intent and importance of the establishing of the Appalachian Way. Take half an hour off and come out and hear all about this. AT THE COURTHOUSE.

FIVE GENERATIONS

Above is a picture of Aunt Matilda Reynolds, a well known lady of Neon. Including herself five generations of her family are shown. Reading from left at top are Wesley Wright, grand-son of Mrs. Reynolds, Barney Wright, his son, in center left to right Mrs. Reynolds, Mrs. Martha J. Wright. On Mrs. Reynolds' knees sits Wesley, Wright, Jr., grandson of Wesley Wright. Mrs. Reynolds is only eighty-one and is perhaps the only great great-grand-mother in her section.

IN SOCIETY

We clip the following from a recent issue of the Washington Post:

"Mrs. Fred Dennett and Mrs. Patton Wise Slemm were hostesses yesterday at the Washington Club at luncheon and dinner in compliment to Mrs. Everett Sanders and Mrs. John Q. Tilson. Mrs. George Sutherland, wife of Mr. Justice Sutherland, assisting Mrs. Slemm and Mrs. Dennett."

Mrs. Sanders is the wife of the Secretary to President Coolidge. Mrs. Tilson is the wife of the leader of the House of Representatives, while the others are well known and high up Washington citizens. Apropos of the above we may state that Mr. and Mrs. Patton Wise Slemm will arrive in Millstone this week after a motor trip to Washington, where Mrs. Slemm visited her parents Mr. and Mrs. Fred Dennett, after a motor trip to Florida. Mr. Dennett was formerly Commissioner of the General Land Office. Mrs. Slemm was

extensively entertained in residential and political circles at the Capital, where she was a debutante a short time ago.

LOCAL PHONES OUT

Owing to a controversy between the City Council and Mrs. Starkey, owner of the Whitesburg Telephone Co., on this morning all local telephones were disconnected by the company. The City Council some weeks ago sold a telephone franchise for the city to other parties and this seems to be the contention. Mrs. Starkey is here from Pikeville looking after her interests.

Don't forget we start a campaign for 2000 new Eagle subscribers soon. Canvassers are going to make big money in this campaign by hustling. Full information will be available soon. It will be no trouble to rake in dollars for soliciting for a paper as popular as the Eagle.

Lewis Wholesale Co. are pushing Laro Feed these days advertising it in the Eagle.

SOME CHANGES

County Attorney Harry L. Moore is locating in the Dan Frazier new residence in Collins-Harvie Addition and Dr. Passmore is locating in the new country home of Errell Day. Lewis

Wishart will move to Sandlick Gap and raise garden truck and also have a soft drink stand and gas filling station. Vernon P. Rogers, employed at the depot, is now located on Eagle street. Dr. Childers also recently located on this street.

PREACHER LOSES HOME

On Beehive Creek a few days ago, in our county, the old home of Eld. Robt. W. Mullins, long a minister of the Old Regular Baptist Church, caught fire and with everything in it was destroyed. A good deal of sympathy is felt for Bro. Mullins on account of his heavy loss. We trust his friends will rally to his relief. He is now nearly sixty and has been quite a disabled man for some years. His loss is around \$1,500.

WE GET APPALACHIAN WAY

The Big Appalachian Way Convention held at Lexington Monday evening voted unanimously for the routing of the big national highway up the Kentucky river and thru the Kentucky river valley counties to Virginia, thru the South to Jacksonville, Fla. Readers of the Eagle who will look on the front page in the issue of March 25 will notice the big open line from Chicago to the gulf and will know more about it than we can explain. We are not boasting, but that issue of the paper had much to do in bringing this important highway into Letcher county. The Business Men's Club, backed by the solid thinking phalanx of the town and the county, was the moving spirit. We take no credit except furnishing the means and the labor.

At the meeting in Lexington, when the convention met, the following resolutions were passed:

"Mr. President, and members of the Appalachian Way in Convention assembled; beg to report as follows:

"The Kentucky delegation met pursuant to the instructions of the President of the Appalachian Way Association on the 5th day of April, 1926, at the Lafayette Hotel, and the following business was transacted:

"Mr. Bailey P. Wooten, of Hazard, and Mr. Sam Collins, of Whitesburg, were the unanimous selection of the delegation for the positions of Chairman and Secretary respectively.

"On motion of Henry Pfening, seconded by M. H. Holliday and unanimously passed in the affirmative, that the Appalachian Way be routed thru Kentucky as follows, and that the Convention be respectfully requested to concur therein:

"Beginning at Cincinnati, O., to Covington, Sanford town, Independence, Nicholason, Piner, Fiskburg, Cynthia, Lexington, Winchester, Clay City, Stanton, Campton, Jackson, Quicksand, Hazard, Whitesburg, Eolia, Cumberland, Lynch, to Appalachia, Virginia.

"On motion of Henry Pfening, seconded by M. H. Holliday, it was the unanimous opinion of the delegation that the name of the Association and Highway be unchanged, and the present name be retained, that is the Appalachian Way.

"On motion of O. H. Pollard, seconded by Senator Walker, it was the unanimous opinion that Emery L. Frazier, Whitesburg, Ky., be selected to present the Convention with a scenic description of the route of the Appalachian Way thru Kentucky.

"There being no further business, on motion duly seconded and passed in the affirmative the meeting adjourned."

"Bailey P. Wooten, Pres. Sam Collins, Secy.

These tell the whole tale. The thousands who heard the speech of Attorney Emery L. Frazier before the Convention say that

they never heard such a splendid oratorical effort fall from the lips of any man. Emery Frazier is probably the equal of any orator in Kentucky. Reared in the knobs of Anderson overlooking the Bluegrass, his eyes preceived the scenic highlands of the Appalachian and his heart led him to them These highlands quickly adopted him and he is now our own eloquent son.

Now that the big national highway is our way, let's do our utmost to complete it in reality.

THEY FITTED

Whoever April-fooled us with that pair of under-pants, hit us at the right time. If we ever find out who so kindly opened their heart to us we will return the favor.

Buys Big Bus

Wallen Bros., of Fleming, are already starting their bus service for the season from Jenkins to Whitesburg. Service has begun between Fleming and Jenkins and as soon as the roads get in better condition service will be extended to Whitesburg. In order to better accommodate the public they have purchased a 15-passenger Studebaker Bus of the Miners Motor Co., at a cost of \$4,400. The big fine machine is now running on the upper end of the line.

Garrett Bates Dead

Eagle readers will regret to learn of the death of T. Garrett Bates, of Millstone, which took place a few days ago. Mr. Bates was about 75 years of age and was one of the best known men of the county. At one time he was one of our besttold farmers in the county and leaves a good deal of property. Mrs. Bates, his life-long companion, was called to the great beyond only about six months ago. He leaves two sons, one daughter to mourn for him, all of them grown. He also leaves many relatives and friends. His death resulted from congestion of the stomach, perhaps brought on by colds or flu. The Eagle extends sympathies to all relatives and friends.

New Superintendent

Saturday the County Board of Education met here and unanimously elected Prof. Arlie Boggs Superintendent of the Letcher County Schools. Mr. Boggs will enter upon his duties July 1, of this year. He is a college graduate and has for years been a leading teacher in the county. At present he is teaching at Hazard. He is about thirty years of age and was only recently married to a young lady whom he met in college and who also is engaged in teaching. He is a son of Joel Boggs, of the Eolia section. It is our opinion that he will make a live-wire in educational work as head of our county schools.

The following is the new law regarding "cold checks" passed by the late Legislature: Section 1213-A. That any person who shall make, draw, utter or deliver any check, draft or other order for the payment of money upon any bank, or other depository, and shall thereby obtain thereon money, goods or credit on any account which he then owes not having at the time of such making, drawing, uttering or delivery sufficient funds in such bank or other depository, for the payment of such check, draft or order in full upon its presentation, or

Who, after having made, drawn, uttered or delivered such check, draft or order for the payment of money without leaving with such bank or other depository a sufficient sum to cover such check, draft or other order for the payment of money shall, if the amount of said check, draft or order be ten dollars, or less, be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$100 or imprisoned not to exceed thirty days, either so fined or imprisoned, or both in the discretion of the court, or the jury trying the case, and if the amount of said check, draft or order be for more than ten dollars he shall be guilty of a felony and upon conviction be confined in the penitentiary for not less than one year nor more than five

years, and the drawer of such check shall be prosecuted in the county in which the check is delivered. The place of delivery shall be construed to mean the place of business of the person or firm in whose favor said check or draft is drawn, or in which the bank or institution on which said check, draft or order is drawn, is located.

Provided, however, that if the person who makes, issues, utters or delivers any such check, draft or order, shall pay the same within twenty days from the time he receives actual notice, written or verbal, of the dishonor of such check, draft, or order, then any prosecution that may have been instituted within said time shall if payment be made of said check as aforesaid, be dismissed at defendant's cost. A

written notice from the bank or institution on which said check, draft or order is drawn addressed to the drawer at his last known place of residence shall be prima facie evidence of notice of such dishonor, and

Provided, further, however, that in all cases where the drawer is indicted for a felony under this Act, may elect in open court to pay to the person in whose interest said check, draft or order is drawn or the bona fide holder of same the amount of said check, draft or order, and be fined in any sum not less than double the amount of said check, draft, or order, and the costs of the prosecution, then said indictment shall be dismissed.

All laws and parts of laws in conflict with the provisions of this Act are hereby repealed.

Condensed Statement

Of Letcher County's Financial Condition AS SHOWN BY THE AUDIT REPORT OF J. D. SERGENT FOR THE YEAR 1925

On January 4, 1926, the total indebtedness of Letcher County amounted to \$977,158.54. This indebtedness may be classified as follows:

Road and Bridge Bonds	\$721,000.00
Allowances by Fiscal Court	161,551.70
Unsettled claims against the county	94,606.84

Making the above total of \$977,158.54

To apply on this indebtedness the County Treasurer had on hand \$20,810.05
 Sheriff James Combs owed the county \$6,964.83
 Judge J. D. Fitzpatrick held county funds \$7,818.29

Which makes a total of \$75,593.17

Deducting this amount from the total indebtedness, \$977,158.54, leaves a balance of \$901,565.37, the net amount of Letcher county's outstanding debt.

The following statements give in detail the items that go to make up the total indebtedness:

Road and Bridge Bonds issued in 1916	\$ 11,000.00
Road and Bridge Bonds issued in 1921	21,000.00
Road and Bridge Bonds issued in 1922	279,000.00
Road and Bridge Bonds issued in 1924	210,000.00
Road and Bridge Bonds issued in 1925	200,000.00

Total Amount of Road and Bridge Bonds \$721,000.00

These bonds are payable over a period of 29 years, and to meet the payments and interest as they come due, and as the law requires, it is necessary to set apart in a Sinking Fund \$50,273 each year. There is now \$20,183.50 in the Sinking Fund. A shortage of \$30,089.50 for 1925. The bonded debt is by far the county's largest debt, and the problem of making up the shortage in the sinking fund and of meeting this annual expense, is probably the greatest problem before your Fiscal Court.

The allowances made by the Fiscal Court, claims that have not yet been paid, amounts to \$161,551.70. Of this amount \$103,345.54 was allowed prior to 1925, and \$58,206.16 was allowed during 1922 to 1925. The interest on these old claims amounts to \$9,493.10 annually. Just how to meet this debt and interest is another problem facing your Fiscal Court. The unsettled claims against Letcher county amount to \$94,606.84. These claims are as follows:

There are also outstanding warrants upon which the exact interest cannot be ascertained, as they have never been registered. The greater number of such warrants are of the issue of 1921. It is a question in my mind whether or not some of these outstanding warrants are legal.

There are many details in the complete Audit Report that has been worked out for the convenience of your Fiscal Court in clearing the records. These have been purposely omitted here, as they would be of little or no interest to the citizens and taxpayers of Letcher county. Just claims due the county will, we are quite sure, receive proper attention and claims against the county will have due consideration.

WRIGHT MOTOR CO.
W. Wright, Mgr. 3t

Just the other day a lady came to our office who had been suffering with aching teeth and diseased gums. This condition was a menace to her health. Her doctor had advised her to have these bad teeth extracted.

The poisons from them were being absorbed into her system. She was in a nervous, run-down condition.

By our new conducting method the nerves were blocked. The teeth were removed without any pain to her.

It was surprising to her that the diseased teeth had all been taken out without any pain in such a short time.

Several other patients were sent to our office by her and by the same method their teeth were extracted.

The doctor advised operation immediately, but I was afraid of operations and put it off. A friend suggested I try Tut's Pills. He having used them for years. After the first dose I began to feel better and would not be without them. I feel as young and full of vigor as I did when I joined the circus." At all druggists.

Suffered weak, nervous
I WAS in a very weakened, run-down condition, surely in need of a tonic and builder," says Mrs. J. R. Wrenn, of Anna, Texas. "I was so weak I had to go to bed, and kept getting weaker."
"I suffered with my back so much. I was very nervous, couldn't rest good at night. I couldn't eat anything—I just wasn't hungry."
"I had read so much of Cardui, I thought best to use it. I took seven or eight bottles, and by the time I had taken them I was stronger than I had been in several years. I can highly recommend Cardui."
Thousands of other women have found that the tonic effects of the purely vegetable ingredients of Cardui were just what they needed to help restore their appetites, to help bring them easily and naturally back to normal health and strength. Its action has been found to be of great benefit in many common female ailments.

Danger In Coughs That Hang-On

Neglected coughs often lead to worse trouble. Yet there is a simple method based on the famous Dr. King's New Discovery, which usually breaks the worst cough entirely in 24 hours.
Here is the method: You take just one teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it. It has a double action. It not only soothes and heals irritation, but also removes the phlegm and congestion which is the real cause of the coughing. So the most stubborn cough soon disappears completely.
Dr. King's New Discovery is for coughs, chest colds, bronchitis, spasmodic croup, etc. Fine for children, too—no harmful drugs. Very economical, as the dose is only one teaspoonful. At all good drug stores. Ask for **DR. KING'S NEW DISCOVERY FOR COUGHS**
